ADMISSIONS POLICY

Essex County Council's policy is that children born on and between 1 September 2017 and 31 August 2018 would normally commence primary school in Reception in the academic year beginning in **September 2022**.

As required by law, and in line with all Essex infant and primary schools, we offer a full-time place to all children from the September following their fourth birthday.

Parents can request that the date their child is admitted to school is deferred until later in the school year or until the child reaches compulsory school age in the school year. The law does not require a child to start school until the start of the term following their fifth birthday. Compulsory school age is reached at that point.

Where entry is deferred, the school will hold the place for that child and not offer it to another child. The parent would not however be able to defer entry beyond the beginning of the term after the child's fifth birthday, nor beyond the academic year for which the original application was accepted.

Parents can also request that their child attends part-time until the child reaches compulsory school age. Any parents interested in taking up a part-time place initially should contact the school for further details as to what this would entail.

If you plan to defer your child's start date until later in the school year, you must still apply at the usual time for primary or infant school places. You should also speak to the school to discuss how you would like your child to be admitted. Where parents chose to defer entry, the school would expect the child to start at the beginning of a new school term/half term.

Admissions Procedure

Each school has a published admission number (PAN) and we are obliged to accept children up to our PAN, which in 2019-2020 has been set at 120 pupils.

There is no guarantee of a place for children living in the priority admission area.

In the event of oversubscription places will be allocated using the following criteria in the order given:

1. Looked After Children;
2. Children with a sibling attending the nursery, Infant school or the partner Junior school;
3. Children living in the priority admission area;
4. Remaining applications.

In the event of oversubscription within any of the above criteria, priority will be determined by straight line distance from home to school, those living closest being given the highest priority.
