Dear Parent/Carer,

Chocolate Fayre Thursday 16th March

As you are aware, Year 2 will be hosting a chocolate fayre on Thursday 16th March.

On Thursday 16th March you may collect your year 2 child at **2:30pm**, via the school hall doors and wait briefly on the playground. The fayre will open shortly after, for just Year 2 children. Siblings from other year groups can be collected at the normal time. All other year groups can then visit the fayre from 3:15pm

Various stalls will be in the school hall selling chocolate cakes, biscuits and other tasty treats. Many of these will have been prepared by the children themselves! There will also be games and activities that the children can enjoy.

For our stalls, we would welcome donations of any chocolate treats. These could be cakes, chocolate biscuits, a box of chocolates, chocolate bars or even Easter eggs. Please bring your donations into school from Monday 13th March. If you are going to be donating a homemade item, please read the important information below.

Homemade cakes, biscuits and other items

Due to 'Natasha's Law' (2021), we are required to follow statutory allergen labelling requirements. This means that any homemade items brought into school, must have an ingredients list provided. We welcome your homemade efforts and look forward to receiving them as contributions to our chocolate fayre, however please ensure you have completed the simple form attached. Also, please ensure all homemade items are handed to the school office and not sent to school with children or handed to teachers. If you require a copy of the form, the school office will be happy to provide one for you to complete.

This is always a popular event and the Year 2 children are very excited to be sharing it with you!

Thank you for your support,

The Year 2 team and children
