

What we are learning in Key Stage 1

Week beginning: 15th May

| Next week we are learning... | Year 1 | Year 2 |
|------------------------------|------------------------------------------------------------------------------|----------------------------------------------------------------------------|
| Phonics and Spelling | Revising all our phonemes so far | Revising our spelling patterns so far |
| English | Planning and making a farm animal leaflet | Applying all our reading skills to answering questions |
| Maths | Sharing into equal groups Finding half and quarter of a shape and numbers | Applying our maths skills to answering questions |
| Topic | Animal groups – mammals, fish, insects etc Editing text on the computer | Designing and creating a tile with repeating patterns, linked to our topic |

Highlights this week:

Year 2 have made some fantastic dioramas of the Madagascan landscape this week. They have been comparing Madagascar with our country. Year 1 have been learning about carnivores, herbivores and omnivores, and sorting animals into the groups.

Coming up...

Year 1 Boydells Farm Trip Monday 22nd May
